Dear M.E.T.S. Family,

Welcome to the 2016-17 school year! This promises to be another exciting year full of innovation, achievement, and excellence! The mission of M.E.T.S. Charter School is to prepare all students to be the best they can be and highly proficient in the areas of Mathematics, Engineering, Science and Technology.

M.E.T.S. offers programs that will help our students develop as individuals as well as educational programs that will truly educate our students with the highest standards of academic achievement. M.E.T.S. is the forefront of digital age and we are proud that we have 1:1 technology devices for very student in 6<sup>th</sup> through 12<sup>th</sup> grade. Technology is integrated throughout our school as we promote 21<sup>st</sup> century learning skills. We also seek to provide a highly qualified and trained teaching faculty so that we as a school community can help our students continue to develop the skills needed.

M.E.T.S. Charter School will prepare students to excel in college and other post secondary education programs. Offering programs like “Early College Dual Enrollment” allows our students to complete up to 60 college credits before high school graduation.

M.E.T.S. family, we count on your full support as partners in your child's education. Learning must occur both at school and at home. Together, as one team, we will provide the very best education for your child.

Welcome, again, to our M.E.T.S. family. Let's give our children their best year yet!

Sincerely,

Ian Fallstich
